KNOWLEDGE BUILDER

Take the Cake!

Cakes are a special **dessert** often served as part of a **celebration**, like a birthday or a wedding. Cakes can be made with lots of different flavours, such as chocolate, vanilla and lemon. Cakes come in many shapes and sizes. Decorating cakes is a delicious way to be creative!

Fondant is a sugar paste that can be coloured and **moulded** to make a cake look like almost anything!

Cake for one? Yes! Cupcakes are just the right size for one person, but they still have room for creativity!

A cake may be colourful on the outside and plain inside, or it might have a rainbow surprise inside!
