

OTis the Gorilla wants to show you how to form your body into a tree, cricket, bridge, and many more objects with this MagneTalk® Yogarilla magnetic game! Children will enjoy working on strength, balance, and motor planning as they imitate *OTis* doing 15 different yoga poses. Here's what's included: one 14" x 18" sturdy, colorful, magnetic game board; 15 vinyl, magnetic Yogarilla tiles (2" x 2"); and 15 reinforcement tiles. You can also create a sequence of three poses on the game board. Everyone will have fun earning treasures from the Gorilla's Nest or hiding the treasures in the nest!

Game Ideas

Treasure Hunt - Place all the pose tiles and reinforcement tiles on the board. Player One chooses a pose from the board and attempts to perform the pose. If the child is successful, he or she will collect the matching reinforcement tile from the Gorilla's Nest. Have all the children perform the pose after the player is done. The player with the most reinforcement tiles wins!

Name That Pose! - Deal the pose tiles out to the children face down. Player One chooses one of his/her tiles and demonstrates it for the group. The first child to identify the pose correctly collects the matching reinforcement tile from the Gorilla's Nest. The player with the most reinforcement tiles wins!

OTis Can Do This, Can You? - Place all the pose tiles face down in a pile. Player One draws a pose tile, and performs the pose. If the child is successful, he/she places the tile over the matching picture on the board and collects the matching reinforcement tile from the Gorilla's Nest. The player with the most reinforcement tiles wins!
