

This is the story of a LAC named Lopyy.
LACs live in a village on one
side of a big mountain.

LACs have big muscles in their eyes and lips.
So their eyes are really *googly*
and their lips really *huge!*

LACs go to school.
They are taught how to look out for danger.
Their extra special skill is 'scary talk' like:

'What if ...'

and 'I'm never going to be able to.'

and 'I don't think I can.'

and 'Oh, no!'

The LACs have an enemy;
the Calmsters.

Calmsters live on the other
side of the big mountain.

At their school, they are taught how
to create calm and peace. Their extra
special skill is 'soothing talk' like:

'It's okay.'

and 'I can do it,'

and 'Breathe'

and 'I might try it'.
